Join Our Team: CCTV Operator

Are you observant, detail-oriented, and passionate about safety? We are looking for a professional **CCTV Operator** to join our security team and help us maintain a safe and secure environment for everyone.

As the "eyes" of our facility, you'll play a vital role in protecting our people and property through proactive monitoring and swift communication.

The Role

In this position, you aren't just watching screens—you are analyzing patterns and ensuring peace of mind. Your primary mission is to monitor live surveillance feeds, interpret activities, and coordinate with our security team to address any concerns in real-time.

Key Responsibilities

- **Vigilant Monitoring:** Operate surveillance cameras and security systems to maintain 24/7 oversight.
- **Incident Response:** Identify and report suspicious activity to the appropriate authorities and respond promptly to alarms.
- **Documentation:** Keep accurate logs of surveillance activities and ensure all equipment is functioning at peak performance.
- **Collaboration:** Work hand-in-hand with on-site security personnel to ensure seamless facility safety.
- **Stay Sharp:** Maintain up-to-date knowledge of security regulations, laws, and emerging surveillance technologies.

What You Bring to the Table

- **Licensing:** You must possess and maintain a valid **BC Security Worker Licence**.
- **Expertise:** Previous experience in security or surveillance is preferred, along with a solid understanding of privacy laws and security policies.
- **Skills:** Strong analytical thinking and the ability to communicate clearly under pressure.

SafeWatch

- **Mindset:** High level of integrity, professionalism, and the ability to maintain strict confidentiality.
- **Focus:** Exceptional attention to detail and the ability to stay focused during extended periods of monitoring.

Physical Requirements

To excel in this role, you should be comfortable sitting for extended periods, maintaining visual focus on monitors, and reacting quickly to emergency situations. Occasional light lifting (up to 25 lbs) may be required.

Ready to help us keep things safe? If you are a dedicated professional looking for a stable and impactful career in security, we would love to hear from you!
